

How to build a Save Haven

Create a safe space for your pet to retreat to during fireworks or other noisy events whatever your budget

2. Then choose from:

Crate/Carrier

Whether your pet is crate or carrier trained, or not, this can make the perfect den

Pet Bed

Place under a table and cover with a blanket or a pet sleeping bag

Cardboard Box

Turn the box on its side and put your pet's bed or lots of blankets inside

'Fancy' hideaway

You can get a range of covered pet beds & indoor fabric kennels online for a fancy pet hideaway

Makeshift Den

Use chairs, a table, under the bed, or a basket - make a space for their bed & cover with blankets

1. You will need:

- Items to make a 3 or 4-sided comfortable 'den'
- A quiet spot in your house to place your den
- Blankets to cover the outside and line the inside
- Toys and/or treats to encourage your pet inside and help them relax
